

Rider Agreement

The monthly fare for the van will be calculated to recover operating, maintenance/service, insurance, licensing, and administration costs and will be recalculated quarterly.

The fare is due in advance each month in the amount of \$_____. Each rider will be responsible to pay the Bannock Transportation Planning Organization (BTPO) office no later than the fifteenth (15th) day of each month for the upcoming month. Ridership in the van will be contingent upon this advance payment. If a rider's check is returned for any reason, BTPO can require the rider to pay by cashier's check or money order from that point on. Fees will be collected for returned checks. Riders are accountable for the full fare in all circumstances except when appropriate cancellation or extended leave notice is given.

- I will cooperate with the driver and the other riders regarding the guidelines for pickup/drop-off times and places.
- I will be on time at my specified pick-up point according to van pool time. I also understand that the wait time at a stop point is 5 minutes.
- I know the van pool route and times from the driver and agree to adhere to them.
- I will give advance notice to the driver/backup driver of the days/times I know I will be absent. I will also contact the driver when and unexpected illness or condition arises which would keep me from riding on a given day.
- I will wear my seat belt at all times while riding in the van.
- I will refrain from smoking, drinking alcohol, or eating while riding in the van.
- I will behave in a reasonable manner and cooperate with the other riders.
- I will demonstrate good personal hygiene as a courtesy to the entire van pool (including using colognes/perfumes in reasonable amounts, etc.).
- The volume level and choice of radio stations/music will be decided upon by the van pool group as a whole.
- I will comply with reasonable requests of the driver/backup driver.
- I agree to indemnify and hold harmless the Driver/Backup Driver and BTPO for loss, theft, or damage to personal property, loss of income, consequential damages resulting from delays, tardiness, absence of a particular day, and termination of the Vanpool program.

As a vanpool rider I have read the Rider Agreement above and agree to the conditions listed.
